

***P.S. Longer Letter Later* by Paula Danziger and Ann M. Martin**  
**Book Reviewed by Jessica D.      Grade 4**

I recently read a book called *P.S. Longer Letter Later* by Paula Danziger and Ann M. Martin. It is about two girls named Elizabeth and Tara\*Starr who are very different but very good friends. Tara\*Starr loves to wear glitter and sequins and she loves being the center of attention. Elizabeth is shy and quiet. She hates being the center of attention. When Tara\*Starr moves away, the girls keep in touch by sending letters to each other. They keep each other updated with detailed letters about what's going on in each other's lives.

I liked this book because it's a touching story of friendship. I liked that the girls found a way to remain friends even though they were very far apart.

I would recommend this book to girls. I give this book 5 out of 6 stars!
